3. Draw a helper. Read your sentence.

I see a _____

Tell an adult the helper's name to finish the sentence.

Adult support: Read the directions aloud and help write the child's chosen helper.

Garrett Morgan

Black History Leader / An inventor who helped

THURSDAY / PAGE 2

Name: _____

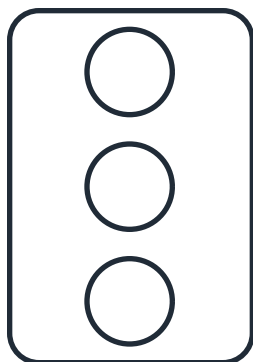

Date: _____

1. Meet Garrett Morgan. Listen and talk.

Garrett Morgan was a Black inventor. He improved a traffic signal to help people travel more safely. His signal could stop traffic in all directions before cars took turns moving. What could happen if everyone moved at once?

2. Color a traffic light we see today.

Morgan's signal looked different. This is a modern traffic light.

TOP: Color red.

MIDDLE: Color yellow.

BOTTOM: Color green.

3. Imagine an invention that helps people.

Draw your idea. Tell Watoto & Asha what it does.
